

Concrete Hoppers

Concrete Hopper - This particular accessory is a self-dumping hopper which automatically sets off to dump as bumper release touches the side of a dumpster. Once unloading is completed, the hopper returns to an upright and locked position. This particular piece of equipment is likewise obtainable along with a cable that allows operation from the seat of the forklift so as to have the option of manually unloading the hopper. There is a locking chain provided to lock the hopper to the tire truck. This product is made with consistent and reliable robotic welds for utmost strength. The forklift dumping hopper even has a blue powder coat finish to maintain durability.
